INTERNAL SHUTTERS

Fashionline's range of Internal Shutters have been specifically developed to enhance the beauty of your home whilst offering privacy and added security. The highly versatile system gives you precise control of heat and glare while at the same time, not obstructing your view.

Fashionline's range of Internal Shutters are available in both natural timber and synthetic materials and come in a wide range of colours to suit any décor and colour scheme.

All Fashionline Internal Shutters are manufactured using the latest techniques and use mortise and tenon joints which provide great strength and a clean modern streamlined appearance.

Fashionline Internal Shutters are available in Hinged, Fixed, Sliding and bi-folds along with special shapes to suit any application. These Shutters can even be used as larger structures such as room dividers and door panels.

Western Red Cedar

Fashionline's Western Red Cedar natural beauty, adds atmosphere and a touch of class to any room in your home. Using only American plantation timber these shutters offer a range of natural lacquered finishes highlighting the grain which in turn is UV stabilised to extend the life of the product. The Western Red Cedar shutter range is available in a choice of either aerofoil or flat blade.

Basswood

Fashionline's Basswood shutter range uses the highest quality hardwood. These shutters are available in a range of painted and stained colours enabling you to complement any colour scheme and room in your home. Fashionline's Basswood shutter range is made from purpose-grown timber basswood with the required density that gives the hardness required to resist knocks and bumps, making it ideal for the family home.

Artwood

Fashionline's Artwood is a man made composite product constructed for its strength, light weight, colour fastness, hardness and water resistance. Fashionline's Artwood Internal shutters are the perfect solution for wet areas such as bathrooms and kitchens along with high wear areas. They can be used throughout the house or in conjunction with natural timber shutters to complement your entire home.
