JELLYBEAN - lifestyle

The perfect extension to your living

The many features of the *1550 Jellybean Lifestyle* include:

- Up to 5, 12 volt **downlights** - Switch, Dimmer or Remote Control
- **Attractive** oval arms with gas primed pistons to ensure a taut cover at any projection
- 50mm round **extremely strong** torque bar prevents twisting and bowing
- 85mm roller tube: ensures the cover rolls evenly
- The coverboard and fabric adjust to give a **precise** and consistent closure
- Integrated brush system sweeps fabric of any loose debris
- **Operation** - Manual, Somfy Motorisation, Remote and Automation Controls
- **Fabric** - *Swela Du Pont Teflon Coated Acrylic* - 99.5% UV protection and Water Repellant
- **Frame** - Powdercoated White, Grey, Ivory or Brown. Optional custom RAL colours and extra **Corrosion Resistant** finish available
- Full 5 year guarantee
