

Uniline Tru-Style Fabric System Awnings

style...protection...cooling

Protect your home and cut down your cooling expenses with Australian made Uniline Tru-Style fabric awnings.

Fabric awnings reduce the total heat load on and in your house, minimising the need for supplementary cooling. Your valuable carpets, curtains and furniture will be protected from direct or reflected sun damage.

Available in a modern range of colours, fabric awnings are an attractive feature that will complement the exterior of your home. Uniline hooding is manufactured using BHP Colorbond® to match your existing exterior roofing, walling, guttering and decor.

Uniline Tru-style awnings provide outstanding durability and anti-corrosion performance and with quality BHP steel tubing and components it ensures a long life for your awning.

Uniline Tru-Style awnings are a stylish way to protect your home from the sun

Uniline guarantees that your quality Uniline product will be free from defects in componentry and fabric for a period of five (5) years from the date of purchase. The obligation under this guarantee is limited to repair or replacement of the product or components found to be defective by the Uniline manufacturer. The Guarantee does not cover defects or damage caused by accidents, alterations, misuse, abuse, motorised devices or wear and tear.
